Going to Church in Chicago

When I heard Al Sharpton and Jesse Jackson were guest preachers at a nearby church, I decided to go there and check them out in person. As soon as I sat down, Reverend Sharpton came over to me. I don't know why, maybe it was because I was the only white person in the church? He laid his hands on my shoulder and said: "By the will of Jesus the Lord Almighty, and the will of God, you will walk today." I told him I was not paralyzed.

Then Jesse Jackson came by and said: "By the Grace of God, and his Son Jesus, the Lord Almighty, you will walk today.

Again, I said that there is nothing wrong with me.

After the sermon I stepped outside and lo and behold they were right.... My car was gone!
