President Themba

- I attended the Smithton RC changeover. A good event. I will visit Smithton again soon. Their new President is Jeff Burgess.
- We have another induction scheduled later in this meeting.
- In seeking Global Grant funding from the Rotary Foundation for our Plumtree Hospital project, it was made clear to us that at least two members in our club should have successfully completed the Foundation’s “grant management seminar training” course. Sec. George has done this course. We need one other member to also complete the course (available via My Rotary). Who will volunteer?

See <https://my.rotary.org/en/take-action/apply-grants/qualification> There are 9 modules and each one is only 15 minutes long (you can return to the modules at any time i.e. don't have to finish in one sitting).

Secretary George:

- The Windeward Bound Trust and Rotary will conduct a series of sailing voyages between July and December using their brigantine *Windeward Bound* in recognition of Rotary's 100 years of existence in Australia. The ship will sail from Hobart to Bundaberg and return. A few of the voyages are still available, each one for 18 young people who are currently resident in the nominated states, aged 14 –17 years, with interest in a personal adventure, bringing out the best in themselves and their peers.

VOYAGE 1 HOBART TO HOBART 1st JULY — 11th JULY INCLUSIVE

VOYAGE 10 PORT STEPHENS TO DEVONPORT 29th NOV — 8th DEC INCLUSIVE

VOYAGE 11 DEVONPORT TO HOBART 13th DEC — 22nd DEC INCLUSIVE

Our Rotary District believes “no one should have to miss this opportunity because of financial need”. This is an opportunity for our Club to sponsor a deserving young person. The cost is \$2,500. For more information, see:

<https://www.windewardbound.com.au/sailing-rotary-100-years>

- Thanks to each member who has volunteered to assist on the Covid vaccination days at the Surf Club
- The Board will meet *next* Monday evening.
- The District 9830 Directory for 2021-22 will be available online only (no hard copy distribution!). Visit <https://rotary9830.org.au/> You will need to register first before being able to access the Directory.

Induction:

President Themba called forth (Dr) Puelin Lau and proceeded to induct her into our club.

Treasurer David:

- I have completed our financial ‘books’ for the past year and have sent these to George for him to arrange the auditing process. [Usually, David doesn't get around to doing this task until December!! What's going on??].

Wayne Richards:

- Some weeks ago, Wayne had proposed that the Burnie Brass Band and our club combine to hold a fundraising concert in aid of the band, with our club not being ‘out of pocket’ in the process. Initially, it was thought the event could take the form of a

lunch-time concert at the RSL, but it seems this would lead to the public having to pay around \$40 each – too high for many members of the Burnie community!

- So, it is 'back to the drawing board'.

There being no Guest Speaker, the meeting closed soon after 7:00 pm.
