Dr Fariba Sani from Iran and her husband Mohammed made their third visit to our club.

The three men from Zimbabwe who visited us last week came *again* – is it the RSL food that attracts them?

L. to R. Jarmain, Cuthbert, Gibson

These three gentlemen have arrived to work for Storemasta in South Burnie, manufacturers of an extensive range of industrial storage solutions, e.g., for flammable materials, chemicals, etc..

**Secretary George:**

- There is only one Rotaract club in Tasmania now – the Table Cape club in Wynyard – however the club desperately needs more members. Age range 18 to 30.
- Our District is planning another Professional Development Exchange, focusing on “Tourism” and “Viticulture” businesses. Destination is New Zealand’s *north* island. Age range 25-40.
- A reminder – We will provide an exhibit at the District’s “Expo” to be held at Princes Wharf, Hobart on 25 March. The plan is to describe our *Don’t Meth With Me* (‘DMWM’) project. We will need volunteers there on the day and to install and remove the exhibit too.
- For many years, PP Graeme Wood presented a short segment at most meetings on the topic of “Rotary Information” When Graeme moved to Hobart, PP John Glen took on this task. Is there someone else willing to take over? PP Allan volunteered.

**Leanne Cullen:**

- Slime Challenge – it has been estimated that we will need around 60 volunteers in all. Set-up is to take place on afternoon of Sat. 11 Feb. and to dismantle everything from about 3 pm on Sun. Feb. 12. Our BBQ should be available from about 10:30 am to 2:30 pm on Sun. 12 Feb. (Perhaps the Table Cape Rotaractors could be invited to assist us).
- The assistance of St. John Ambulance has been requested.

Close: 7:25 pm
