President Nigel:

- Roopa is back from Nepal, much to John Glen's total surprise!
- I have booked our Xmas dinner function at Leonardo's in Wivenhoe. Date Nov. 26
- I am now waiting for inputs from members to our club's Annual Report.

Secretary George:

- We have had a Zoom meeting with members of the South Bulawayo RC in Zimbabwe to firm up the procedures and responsibilities for the Plumtree project. We now have an agreement between a 'supplier' of goods and the Bulawayo RC.
- The idea of arranging a community event in Burnie Park (a water slide during the school holidays) has been proposed **and** it was suggested that the Club approach Burnie Councillors with the idea not the Council staff.

PP David McCarthy:

David summarised the success of the RYDA event last week. All students were from Marist College and they were well behaved compared to students from some other schools in past years.

Fines session: PP Barrie did a great job of extracting fines from members and in generating a high level of mirth too, given that he started the evening with nothing to grab hold of.

Pres. Nigel:

We do not have a Guest Speaker tonight, so let's have a general discussion.

- Next week, Roopa will tell us about her recent trip to Nepal.
- We will continue to schedule "Who Am I" talks by members, as many of the newer members do not know the background of our older members (and *vice versa*).
- What about an event for members to boost our fellowship, such as a 'mystery bus trip', or a 'poetry & pizza' fun night at Leane's home?
- A photography contest for the public, which we could promote on our Facebook site.
